

# **Attendance Policy**

## **RainbowLight Yoga**

RainbowLight Yoga School (the School) requires a minimum of 200 contact hours completed in full in order for graduates to receive a certificate and register with Yoga Alliance. The 200 hours must correspond to the allotted hours across categories and competencies set by the School.

The Lead Trainer is responsible for monitoring and documenting attendance and will have a written record countersigned by the student at the end of the course.

Missed hours can be made up for on the same course of a different date provided that the future hours will correspond to the learning categories, topics and activities missed during the original course. The student has within 18months to complete the missed hours. Maximum make-up hours allowable is 24.
